Sept. 12, 1964 Vol. 4-35

St. Albert Protestant School Board during the recent meeting which brought agreement between the Board and the Teachers.

St. Albert Protestant Separate School District No. 6

AGREEMENT SIGNED BY BOARD AND TEACHERS

The board of the St. Albert Protestant Separate School District No. 6 and The Alberta Teachers' Association signed an agreement at the school board offices on September 3, ending a three-year negotiation of the teachers' contract. Board chairman Roy Usher stated that the three-year agreement provides for a two percent increase for 1962-63, a similar amount for 1963-64, and provides 1964-65 salaries comparable with those paid by the Edmonton Public School Board. The manner of transfer of the St. Albert teachers to the Edmonton Public School Board grid is similar to that used by other Alberta suburban school districts which have adopted the salary scales of neighboring cities.

The school board approved the terms of settlement at a special meeting held on September 1. The teachers concurred with the board's proposal at a meeting held September 2.

Jim Dobbie, chairman of the board's negotiating team, said that the new con-

tract will provide a range of salaries from \$3100. to \$5600. for a teacher with one year of university education, and a range of from \$5200. to \$8750. for teachers with a Bachelor's degree in 1964-65. The maximum for a teacher with a Master's degree will now be \$9600.

The contract reflects joint AFA-school board policy of encouraging young teachers with minimum qualifications to improve their university standing.

Jack Bauman, chairman of the teachers' salary negotiating committee, expressed satisfaction with the terms of settlement. "This has been a protracted and complex negotiation", said Mr. Bauman. "The teachers appreciate the responsibility which the board has demonstrated in its conduct of this difficult matter."

COUNCILLOR ED POWELL RESIGNS

FROM THE TOWN BRASS

Council Meeting, September 8
Presentation of brief by Mayor Veness.
Councillor Ed Powell moved the Mayors

brief be placed on the next Council agenda next Monday, September 14. Following are the highlights of the Mayor's recommendations:

(a) eliminate the position of Senior Administrative Officer and revert to standard Mayor, Council Secretary-Treasurer form of administration. Further, there could be a sharp reduction in the administrative and clerical staff.

(b) eliminate position of Town Engineer. The present 24 hour patrol of the Town could be conducted by the Foreman or the Fire Department.

(c) Contract out garbage removal and possibly meter reading. It might be worth considering looking into the possibility of contracting out the water and sewer billing as well.

(d) have all future developments carried out by private development with acreage and frontage assessments set to recover development report and finance costs to date plus future boundary road costs, oversize main costs, sewerage treatment facility costs and water storage costs. These things are nothing more than normal municipal government operations. I believe that because of the authority a Council has, there is absolutely no reason to have any more elaborate system of Government than that which I have proposed for a good number of years. Council can have absolute control over the Mayor and Secretary-Treasurer by insisting that:

(a) All expenditures made are part of a well planned budget that has been prepared on the basis of sound management with a will to economize, and not prepared with the idea that because we are bigger this year all items must be more costly.

(b) Monthly reports on past month and plans for the next month are circulated to Council members well in advance of meetings and these reports, if subject to expenditures, are related to the budget.

(c) That Library, Recreation, Interim Development Control Zoning and Parks are all operated by Boards appointed by Council and operated as to finance in the same manner as our present Library Board and one Council member only be on each Board.

(d) That an immediate application to terminate Local Authorities Board control be made. We should utilize the services of our local M.L.A. more in our dealings with the Government.

(e) All expenditures must stay within the Budget.

law for salary for the mayor, couldn't be decided upon and was tabled for the next regular meeting. During the discussion regarding bylaws, it was stated that the control of the Local Authorities Board is like a stone around the neck of Council. The L.A.B. decides which bylaws can go to a plebiscite, and even if a plebiscite is positively accepted by the electors, the L.A.B. has the right to refuse the bylaw. It was also stated that it would be very doubtful if the L.A.B. could approve these money bylaws in time for plebiscite. In the past the Council has had to wait more than 5 months sometimes for approval of business, for example, the budget. Technical Advisory Committee The chairman's report was tabled for the next regular Monday meeting.

Licensing bylaw This was tabled for next week's special meeting on Thursday. Council adjourned at an early hour and went to their coffee chambers.

INTERESTING TOUR

GUIDANCE COUNSELLORS' TOUR OF RCAF TRAINING ESTABLISHMENTS

Two St. Albert residents, Mr. S. J. Sieben (County of Sturgeon) and Mr. S.G. Kalita (St. Albert Public School District No. 3), along with Mr. D. Knowles (Edmonton Public School Board) were among the group of guidance counsellors and high school officials representing Alberta and B.C. that were selected to participate in the tour. The tour was sponsored by the RCAF Recruiting Units in Calgary and Edmonton, and took place Aug. 15-22.

The group visited the following training establishments: RCAF Station St. Jean, Que. (Manning Depot and the School of English), College Militaire Royal de Saint-Jean, a Tri-Service establishment under the administrative control of the RCAF, RCAF Station Centralia, Ont. which houses the Officers' Selection Unit, Central Officers' School and Language Training School, and also RCAF Station Clinton, Ont. which houses the Radar and Communications School, School of Food Services and School of Instructional Technique.

Through visits to these various training establishments the group became familiar with the methods by which the RCAF selects, trains and develops the product of our schools into the specialists of the Air Force. The group was greatly impressed by what the RCAF has to offer to young men who have the ability and who are willing to work. The calibre of RCAF personnel met at the several training establishments was no less impressive. The first hand information gained on the tour will be of great value when students wish to discuss the possibilities for them with the RCAF.

Interesting sidelights of the tour were: sight seeing tours in Montreal, a tour of Montreal night life, a scenic tour by air of the St. Lawrence Seaway and the Niagara Falls (compliments of the RCAF) a visit to and a thorough briefing by Expo '67 officials in Place Ville Marie, Montreal, and an evening at the Shakespearean Theatre at Stratford, Ont., where the group enjoyed Moliere's "Le Bourgeois Gentilhomme".

LOGICAL PLACE

Our St. Albert Centennial Committee has a brilliant idea to promote the establishment of an historical museum in St. Albert as their Centennial project. They met recently with representatives from the Institute of Western Canadian History and will hold another meeting soon to formulate definite plans and agreements. We cheer the decision of our Centennial Committee because St. Albert is the only logical place in Alberta for an historical museum to be built. There have been many arguments about the location for the provincial museum, and we know that our big neighbor, Edmonton, is strongly in the market. But you don't build a town hall on the city dump, you build it in the city centre. Therefore you should build an historical museum where the history of Alberta began - St. Albert. The Provincial Government, with their many historically-minded ministers should not have any trouble deciding the place for this provincial museum. Historical museum on historical ground. Once again, only St. Albert which already had 40 years history before Fort Edmonton could think about the past. Therefore, a tribute to our Centennial Committee who couldn't have chosen better than an historical museum for St. Albert's Centennial project.

UNDER ONE ROOF

In our town we have excellent junior baseball, football, soccer, hockey players scattered in many district clubs in our town. All of these clubs have only a maximum 2-4 month season activities. We don't have top junior teams in these sports capable of competing with top junior clubs in Edmonton and district. In talking with various prominent junior sports leaders in St. Albert, we found that they feel the same as we, that all our junior sports should be under one permanent roof. By doing this we can assure our youth continuous attention by their club executives and coaches. They would also have the opportunity to increase their skills against stronger teams all over town. Besides this, the money grants given by so many local sponsoring organizations would go into one pot, benefitting every one in the club. Every boy and girl would be proud to be a member of a strong solid St. Albert Junior Sport club which had a healthy parents' organization backing the social activities of their club all year round. Last year, several good St. Albert Junior Hockey players joined Edmonton hockey clubs because they couldn't find a club in their own town district. (Braeside, Mission Park, Donatien, Sturgeon Heights, Grandin Park). And what about our Junior Baseball clubs? We had 16 teams this year and yet not one strong enough to meet Edmonton and district in high standard games.

Co-ordination of all those temporary junior sports clubs into one fine St. Albert permanent sports club is the only way to bring our junior sports up to par. Not fanatic games between our district teams who fought each other as strangers in the past, but rather games between members of one big St. Albert Junior Sport Organization. Such a club must be built up with the continuous support of responsible adults. The coaches especially should give our youth reason to respect them not only for their coaching skill but for their morals. We know that last year some coaches had too much liquor before a game, and they even drove our boys to a game while under the influence of liquor. In a strong responsible organization this would be impossible.

Yes, the junior sports for our boys and girls should be under one roof, with the leadership of responsible adults working to serve and help our youth, and in pleasant co-operation with all our adult organizations in town. We hope that these thoughts will find many followers so that the organization under one roof can be started as soon as possible.

CENTENNIAL

The St. Albert Centennial Committee met recently with representatives of the Institute of Western Canadian History. This was an exploratory discussion of the possibility of enlisting their assistance in the establishment of an Historical Museum, Archives and Research Centre here in St. Albert. A further meeting of two representatives of the Centennial Committee and the Institute is scheduled for early next week in an effort to formulate definite agreements. It is the hope of the Centennial Committee that this Museum would be the focal point of all of our town's centennial plans and celebrations.

allowing charging the goalie proved unfortunate to the St. Albert team. It took half the game before the boys became accustomed to this. Alex Melatenbus caused 2 penalties by touching the ball with his hands, giving Calgary 2 extra goals. The Pee Dee B team played a very good game, as did the Spartans who found a fearful reinforcement in their new player, David Roberge. The Spartans, who lost the game 2-1, could have easily won if only their goalie had been in normal condition. St. Albert's star players during these games were: Peever - James Gale and Payne Dorn; Centre - Yushin, Roberge and Interschultz. The evening before the games the St. Albert boys and parents enjoyed a delicious banquet. The Calgary and St. Albert officials were at the head table.

The Star of the North Retreat House is hosting the physical handicapped for a three-day retreat of spiritual renewal. The physically handicapped from the University Hospital as well as from the St. Joseph's, Youville Home, etc are attending this retreat. About half of the 50 retreatants are wheel chair patients, blind and one iron-lung patient. A staff of ten nurses, five orderlies and fifteen other lay helpers look after the patients during their stay here.

The Star of the North Retreat House is one of the few retreat houses in Canada which offers such a retreat.

Activities at the church this week will include the following: Choir practice on Thursday evening, 10 Sept. 8:15 p.m. The choir invites all interested singers both old timers and newcomers to attend. For information call choir president Mr. Dick Leggett at 599-7475 or choir secretary Mr. Robert Crookery at 599-6312. On Sunday Sept. 13, 11 a.m. there will be a Church School Rally during the Morning Service. All parents are urged to attend with their children. Registration of all age groups will take place on Sunday. At 7:30 p.m. the Hi-C will meet in the church for a get-acquainted meeting and a report on the trip to Naramata will be given by Maureen Holland. All high school students are invited to attend. This year, Mr. & Mrs. Bob Logan and Mr. & Mrs. Bob Myrthue will join Mr. & Mrs. Bob McGuire in working with this group. The UCU General Meeting will be held on Monday, Sept. 14, 8:15 p.m. in the church. Several proposals regarding the expansion of the UCU program in St. Albert will be considered. All interested ladies are invited.

Coming activities of interest include the following: Morning Services each Sunday at 11 a.m. (Sept. 20 Preaching Service; Sept. 27 Preaching and Baptismal Service; Oct. 4 World wide Communion Service; Oct. 11 Thanksgiving and Letter of Transfer Service); Evening Service, Oct. 4 7:30 p.m. (this will be a service of preaching, hymn singing followed by a social hour.)

On Thursday last a meeting of the Choir was held at the Crookery residence and the activity of the choir for this season was discussed. Some 20 members were in attendance. On Friday last at 1 p.m., Miss Dianne Sharon Baer of Morrisville and Mr. Donald Alvin Fluney of Dewberry were married in the United Church. The service was conducted by the Rev. Dr. Ed. Schwarz who was assisted by Mr. Bob Thompson. Mrs. Ted Hole was at the organ. The Morning Service on Sunday last was conducted by Dr. Schwarz who has returned from holidays. Communion was served. The text for the sermon was 1 Corinthians 11:17-29. Dr. Schwarz pointed out that St. Paul called upon the Christians of Corinth to observe the service of the Lord's Supper in a manner to reflect their relationship to God, neighbors and the world of nature. Mrs. Hole was at the organ.

Knights of Columbus

ST ALBERT COUNCIL No. 4742

Mr. & Mrs. Cliff Gallant, 14 Mt. Clare Ave., recently returned from New Orleans where Mr. Gallant, Grand Knight of the St. Albert K.C. Council attended the Supreme Convention of the Knights of Columbus.

An interesting and varied program was provided for the Knights' 'ladies'. A tour of New Orleans, with special attention to the city's history; a 3 hour cruise of the Mississippi River aboard the luxurious S.S. President, climaxing with a fresh sea food dinner; a guided shoppers tour of New Orleans' deligh

shops. The highlight of the convention social side was a special production of New Orleans famed "Mardi Gras" followed by a state dinner and Mardi Gras Ball. The K.C. and their lady auxiliary also provided a program for children including tours of the beautiful Bayou Parks, teen dances and an all day baby sitting service for the very wee conventioners. Mr. Gallant enjoyed the opportunity to discuss K.C. projects and fund raising methods of councils from all over North America and points in South America. Some 2,000 attend the annual event. The Gallants are happy to have had this 'once in a lifetime' experience, but it's good to be home, and their six children agree!

BM MANAGER TO MONTREAL

Gene Roussel, manager of the Bank of Montreal in our town, has been appointed Assistant Superintendent of Staff at the Head Office in Montreal. Gene came to St. Albert a year last April. In the short time he has been here he has shown a keen interest in local affairs. Most recently was the tremendous interest and assistance he gave the St. Albert Chamber of Commerce in organizing the 1964 Civic Day.

We wish Gene and his family all the best for the future in this promotion. His successor will be Mr. J.P.Y.E. Bouchard who is now working in the office of the General Manager for Quebec. He will take over the management in the near future.

TEN WEEK PUBLIC SPEAKING COURSE

The Knights of Columbus will sponsor a Public Speaking Course here in St. Albert. "The Christopher Leadership Course" will be held in the St. Albert R.C. Parish Hall on 10 consecutive Fridays beginning October 2. The course is interdenominational and of special help to the Christian layman in taking his part in church, club and civic duties. The instructors will be Mr. Jack Kirk, Edmonton and Mr. Art Sevigny, Edmonton. Mr. Sevigny is formerly of St. Albert and very well known in this district. This course of the fundamentals in speaking is beneficial to all and is praised highly by its former 'students'. Further information can be obtained from Cliff Gallant 599-6844 or John Krupa 599-7184.
